WELCOME BACKArchives
MSMC

Much of the charm of this campus is due to the unique contribution each person makes to it. We cordially welcome each new student, faculty and staff member and extend a "so glad you're back" to those who are returning to the campus. We hope that this is the beginning of a special memory year, one that in later years you will remember with joy.

INTERTERM, 1975

The date due for the submission of plans for INTERTERM 1975 is October 19.

NOW is the time to collect ideas, assess needs and formulate courses which will be a change of pace, innovative in method and/or content, and possibly offer interdepartmental opportunities on or off campus.

INTERTERM 1975--Continued

Interterm brochures from other campuses on a 4-1-4 plan are available on a rotation basis at the A.A. secretary's desk. A sign-out sheet is provided.

The joint Faculty/Student Interterm Committee needs a Doheny student member. Qualifications include an interest in Interterm, attendance at planning meetings (usually on a scheduled Monday from 1:00-2:00), and the ability to convey the thoughts and ideas from the Doheny Campus. If you would like to serve on this committee, give your name to Sr. Dorothea Marie (Faculty member on Interterm Committee) in Bldg. 7, Office 15. The procedures of the PROGRAM/BUDGET COMMITTEE will be followed in the selection of this student representative. (See: Student Handbook, p. 44).

FINANCIAL AID COUNSELOR

Mrs. Mary Ann O'Brien will be available to students who have received financial aid as well as to students interested in applying for it. Mary Ann plans to be on campus on Wednesdays and Thursdays from 1:30 to 2:30, and may be consulted in the Educational and Career Planning Center (Room 9) on the second floor of Building 7. She can vary her hours if students leave a message with Lucille in the A.A. office.

HEALTH SERVICE

Many students still need to return their Health History to Sister Francis Clare in Building 10. Consult the list in Carondelet Center for your name. Students receive health services by filing the health history and showing their Mount I.D. card at the Center at USC. In case of an extraordinary service (for example, a physical exam), a minimal fee may be charged. Maps are posted in Building 4 and in Building 7 in case you need directions to the Health Center.

MSMCOCTOBER 15 IS FOUNDER'S DAY

Mount St. Mary's College was founded October 15, 1925, nearly fifty years ago. It is traditional to celebrate our founding, and this year we at Doheny will join together at 1:15 on Monday, October 15, for the celebration of a special Mass in the Pompeian Room of the Doheny Mansion. Bring your lunch. Following Mass, we will go to the pool area to eat; cokes will be provided for everyone from the student body budget. Anyone interested in helping to plan the liturgy or play the guitar is asked to leave her name with Lucille in Bldg. 7.

FROM SISTER JOAN HENEHAN

Last year a group of students met once a week to pray together for half an hour. If any students or faculty members are free to gather for Scriptural prayer on Tuesday or Thursday, either from 1:00 - 1:30 or from 3:00 - 3:30, please leave a note stating your time preference. The time will be arranged for the greatest convenience of the majority and will be announced in next week's DOHENY HAPPENINGS. Leave note in Sister Joan's box, Bldg. #7.

PROGRAM/BUDGET COMMITTEE SELECTED

Five members of the student body, one faculty member, and one staff member submitted their names as candidates for positions on the Program/Budget Committee last week. Since this is the correct number needed for that committee, it was unnecessary to run an election.

Serving the student body this term will be: Lisa Cowan, Risa Jabin, Chris McDermott, Beth Momberg, Terry Stone, Sister Teresa Marie and Sister Elizabeth Anne. Sister Rose Agnes is the appointed member who is a non-voting member of that body.

At the General Assembly this afternoon at 1:20, the Committee will explain its purpose and procedures. It is hoped that a good turn-out will assemble for this informative meeting.

The Committee is ready to accept for consideration any proposals which students, faculty, and staff may have for Campus functions. Submit your ideas as soon as possible, so that we may have a full year of activities you have initiated!

INTRODUCING OUR PLACEMENT DIRECTOR

If you're looking for a part-time job, or want your name on file for the future, or if you have a job to offer someone - come to Teresa Reinholt in the Student Services office. There are some good off-campus positions available at: Baskin-Robbins, Top Services, and in the area of baby sitting.

On-campus positions with the Early Childhood Education Center in Building #17 may still be open.

Teresa promises more to come. Inquire at the Placement Center desk in Student Services, Office #3.

WHO'S LIL (Living is Learning) CONTEST

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself. If you know of anyone who deserves recognition, please notify Sister Francis Clare.

"Never a dull moment!" might sum up the adventures of our first LIL for this year. Each endeavor seems to offer her a new challenge. Last summer, after a near disaster while working in the men's section at the Broadway, she welcomed a transfer to the book department. This experience may offer some explanation for her desire to become a children's librarian!

In her spare time, LIL loves to plan excursions for a Girl Scout Troop made up of fourth, fifth and sixth graders. From all reports, we judge that these youngsters have profited from most of the tours offered in Southern California.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The first one to give the correct answer wins a prize.

All materials for the DOHENY HAPPENINGS should be submitted to Sister Dorothy Mary, Bldg. #7, Office 12. A box is provided in that office for copy which should be TYPED, DATED, AND SIGNED by the person responsible for submitting it. Deadline for material is WEDNESDAY, 4:00 p.m., preceding the date of issue. Dateline is every Monday.

MSMCFOUNDER'S DAY TODAY

Each member of the Doheny college community is invited to join in celebrating our founding in 1925 by attending a Mass of thanksgiving in the Pompeian Room of the mansion at 1:15 today, October 15. Father Robert Jabro will be the celebrant of the Mass. After Mass, we will continue our celebration with lunch at the pool area. Bring your lunch; cokes will be provided for everyone from the student budget.

FROM SISTER MARGARET ANNE

Are you planning to receive your Associate in Arts degree in May, 1974? If so, please give your name to Lucille in the A.A. office in Bldg. 7 by Friday, October 19. We need a preliminary listing immediately; you will receive further information soon, but only if your name is on our list.

DROPPING A CLASS?

Students who are having difficulties with classwork should see their instructors and advisors now. The last day to drop a class is Tuesday, October 23, so it is important to take action immediately if you intend to drop a class.

#####

CONGRATULATIONS

Mrs. Barbara Gruendemann, instructor in nursing for the Associate in Arts nursing program, published a book, The Surgical Patient-Behavioral Concepts for the Operating Room Nurse, which was released by Mosby Publishing Company in the late Spring. This patient-centered text will be used by our nursing students and has received favorable comments from leaders in the profession.

Mrs. Ronnalee Brosterman, instructor in dance on our campus, is the choreographer for a selection that will be featured in a dance concert at the UCLA graduate Dance Center on October 20, at 3:00 p.m.

James Murray, Assistant Professor of Art, Mount St. Mary's College, invites you to an exhibition of his paintings and graphics through October 22, Doheny Campus Art Gallery, 9:00 a.m. - 12:00 noon, or by appointment.

FORMER DOHENY STUDENTS TO APPEAR ON TELEVISION

Check "Women in Politics" (On Youth and the Issues) TV Channel 9, Thursday, October 25, at 10:30 p.m. or Friday, October 26, at 12:00 noon. Joy Bramlette and Angela Hawekotti, former Doheny students, will participate on a panel of four MSMC students interviewing two women mayors.

MEMBERSHIP SOUGHT FOR MSMC ORGANIZATIONS

Students interested in involvement with the on-going activities and concerns of Mount St. Mary's College are being sought for membership in the following organizations:

Student Life Policy Board: Within the next few weeks, Doheny will be asked to submit the names of two students who will represent Doheny's needs and concerns yet who would maintain an over-all perspective of both campuses. These students must be free to attend Policy Board meetings on the Chalon Campus which are held approximately four times a year as needs arise. Recommendations for consideration of this very important Board are also suggested at various other times during the school year. Contact Sister Rose Agnes if you are interested in serving on the Board.

Yearbook Staff Members: Since our involvement in the preparation of the yearbook is most vital to the total college picture, the staff at Chalon needs two representatives from Doheny to join them. This need is IMMEDIATE and will involve students in a series of meetings and working together on layouts, art effects, etc. Ideally, it would be advantageous if the members are enrolled in the photography class; however, anyone interested is free and encouraged to apply. Contact Sister Rose Agnes.

Interterm Committee: Additional volunteers are needed for this committee to prepare for the events related to the Interterm period. Contact Sister Dorothea Marie for complete information.

Admissions Council: The Admissions office at Chalon needs at least three Doheny Campus students to serve on this council, which is involved in ways and means of recruiting students for the college. Sister Francis Clare is the person to contact, if you are interested in serving on this council.

Winter Festival Planning Committee: Several students are wanted for this committee which is just being formed. It will plan for an Interterm festival, tentatively scheduled for January 29 on this campus. The next meeting will be held at 7:30 p.m. on October 29, at Chalon. Committee members may stay overnight at Chalon on the night of the meetings. Contact Sister Rose Agnes for details.

The above are open invitations to be a part of the total college. No single organization listed will be complete without Doheny members. So volunteer your name and some of your time to give the active and interested support needed from our campus.

WHO'S LIL (LIVING IS LEARNING) CONTEST

Congratulations to Carrie Marraro who was the first of many to guess Christine McDermott as last week's LIL. Two successful excursions Christine planned and executed for her friends were very different. She is uncertain which brought more challenge and enjoyment: a week and a half spent on a houseboat on the Sacramento River or three and a half weeks on a 90-mile survival back-pack trip in the San Jacinto Mountains.

Can one wonder why our first LIL at times indulges in another dream of spending a whole night in a library without any interruptions?

This week's LIL believes that the year she spent between high school and college has made her more appreciative and eager for studies. She has many interests: music, poetry and art, and considers it necessary to share her gifts with others. She recalls the pleasure she experienced in mixing paints at an early age, so one afternoon a week and on Saturday mornings LIL helps four and five year olds with drawing and painting. She is planning to have an exhibit of her own speciality of art in the near future.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself. If you know of anyone who deserves recognition, please notify Sister Francis Clare.

WOULD YOU LIKE TO BE A DELTA?

Delta Theta Chi is an active honorary student organization whose members serve as college hostesses and who assist the administration, faculty, students, and departments that cannot provide their own help. Activities generally include conducting guided tours of the campus (especially the mansion) during Open House days, hostessing at various events, such as Laurel Day and the Graduate Hooding tea, and helping with other college functions, if asked.

There are no membership dues. The events hosted by the society are financed by the groups who ask the help of Delta Theta Chi. If you are interested in applying for membership in this honorary service organization, watch the bulletin board in Carondelet Center this week for further information. Interviews for prospective members will be conducted next week by a panel of last year's Delta members; dates will be announced in the DOHENY HAPPENINGS next Monday.

who will keep the minutes of meetings and complete files on each activity as well as distribute the needed forms to students and/or faculty and staff requesting them for a program.

Finances: Beth Momberg

who will keep the budget record of allocations, expenditures and income; check the accuracy and completeness of financial reports after events have occurred; and act as consultant in the approximation of expenditures for an event. She will also report the budget conditions at each Committee meeting.

PROGRAM/BUDGET COMMITTEE RESPONSIBILITIES (Continued)

Reservations: Risa Jabin

who will clear locations and dates for any programs requested and maintain the Master Calendar, making confirmation of dates, changes, etc., by phone and letter to Chalon.

Communications: Lisa Cowan

who will maintain the postings in Carondelet Center and the 24-hour notice board, submit articles to DOHENY HAPPENINGS, and inform proper persons of events related to student activities.

Final approval was given to forms which will be used by anyone wanting to request approval and allotment of funds for a program. The Committee also felt that it should reaffirm its purpose, since there had been some confusion in this regard.

The Program/Budget Committee acts in an advisory and budgetary capacity only. It neither initiates nor executes an activity or event. That function is strictly student-initiated and student-produced. In this manner, members of Doheny Campus can be assured that an event or program is one centered on STUDENT interest, which is the whole purpose of this plan of student organization.

LAPD OFFICERS TO SHOW "LADY BEWARE" FILM

An excellent film with important information, "Lady Beware," will be shown in Room 207, October 29, at 1:20 p.m. The Los Angeles Police Department has made this film available to us as a public service. It points out most effectively the measures a woman can take to safeguard herself in the event of danger. Two officers will give an introduction, show the 25 minute film, and then answer any questions. Do come: for your own protection.

LOST ITEMS HAVE BEEN AWAITING OWNERS IN STUDENT SERVICES OFFICE

For two weeks the Student Services office has been holding a leather jacket (Robin label), a glass case with dark glasses in it, a book, a blue hooded pull-over, and a short-sleeved sweater. We will keep the items this week only; then the items will be given to charity. Owners, please be able to identify your item.

WHO'S LIL (LIVING IS LEARNING) CONTEST

Congratulations to Catherine Ackers who was the first person to identify Deborah Scizorek as last week's LIL. You may travel to La Paz Import Place in Santa Barbara to view Deborah's exhibit of scraper boards or take a walk to building four to see a beautiful production which she has displayed for you. Notice the professional card which she has also designed. From a background of artists, Deborah enjoys all expressions of art, but design, which she hopes to teach, ranks first.

Elected Fashion Show Queen at her high school during her senior year, LIL is anticipating this year's event when she will crown the 1974 Queen. She explains that the student chosen for this honor must design, sew and model a complete outfit, including a bridal gown. Last year's project was so successful that LIL was invited to repeat her presentation at El Sereno Library.

Volunteer work? Every week she mended and patched the uniforms for the football team.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself. If you know of anyone who deserves recognition, please notify Sister Francis Clare.

All materials for the DOHENY HAPPENINGS should be submitted to Sister Dorothy Mary, Bldg. #7, Office 12. LEVITY LEAKS FROM LOFTY LIBRARY

Chris McDermott's typewriter came up with a "k" where a "d" should have been in a recent library assignment. The result? Her answer to the question regarding information about Edward L. Doheny was that he was one of the "leaking oil industrialists in the United States."

And how about the fact that when told to look up the nearest cross-reference, a student approached a particularly cranky librarian?

WHO'S LIL (LIVING IS LEARNING) CONTEST

The first student to correctly guess last week's LIL, RENEE CHAVEZ, was Teri O'Brien. Congratulations!

RENEE, who enjoys working with small children, finds the Creative Art Experience class very stimulating. She experiments on her own with sketching and water coloring. Playing neighborhood baseball, volleyball and football are her means of relaxing. Because she is bilingual, she is grateful that she can help not only little tots but also their parents. RENEE is interested in two careers: Pre-school teacher and wardrobe designer.

+++++

Her employment as an airline stewardess has taken our fourth LIL to many far-away places, but always there has been the hope that at some time she could realize her ambition to study nursing. An Outreach assignment with autistic children has strengthened this desire. LIL also spends six hours a week learning sign language in order to be able to communicate more effectively with handicapped persons.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

The success of Doheny's Open House on November 18 depends on the enthusiasm and support of each student, faculty and staff member. There are many areas in which you can help. You can participate in a department presentation, assist as a tour guide, be a hostess, serve refreshments, or simply come with family and friends to show them the campus.

1974 MSMC YEARBOOK MAY LACK PICTURES AND COPY FROM DOHENY CAMPUS

Requests have again come from the annual staff at Chalon for two or more Doheny students to be members of the yearbook staff. Only if these students are added to the staff can Doheny pictures be included.

We have heard that several students might be interested, but we have

not as yet heard from them. Informal pictures should be taken, pictures of staff, faculty, administration and the graduates must all be taken by appointment, and copy must be prepared to accompany the pictures. Only Doheny students can obtain Doheny Campus pictures. Only Doheny students can submit those pictures for Mount St. Mary's Annual for 1974.

Let me state in this final appeal, that unless we have staff representation at Chalon, we have no way of getting those pictures we want to see in the annual next year!

UNSATISFACTORY WORK REPORTS DESIGNED TO AVERT END-OF-SEMESTER FAILURE

For students who are concerned about receiving passing grades in their course work, Doheny has an advance notice system which communicates the need for extra attention to a particular course.

Instructors who know that a student will be earning a grade of D or F in a course will be giving a copy of the "Unsatisfactory Work Report" to the student, to her advisor, and to the Dean. If someone receives more than one notice, Sister Margaret Anne will also contact the student, in order to give as much positive assistance as possible to avert failure or probationary status for the student at the end of the semester.

WHO'S LIL (LIVING IS LEARNING) CONTEST

Congratulations to Renee Chavez, who was the first student to guess last week's LIL, HARRIETT DENNISON.

Delighted with her Spanish class, Harriett is looking forward to another visit to Costa del Sol, Spain, where she vacationed last summer. She laughs when she remembers the sign language that got her through her first visit and is confident that on her next trip she will be able to carry on a conversation. For relaxation, she works for the Rams. She compiles reports on potential players which are furnished by the Ram scouts. "It is great to know the players before they become famous," she says.

A College Guidance book and Mount St. Mary's College Viewbook helped this week's LIL to decide on her choice of colleges. Although she has always lived in a foreign country, she speaks English fluently. She appreciates the advantage of being bilingual. Most of her spending money goes for stamps and film, since her favorite hobbies are photography and letter writing. At home she tutored little children in English and is delighted when she now receives letters from them. Four college students are grateful to her for her patience in helping them to master English.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

## RESERVED PARKING FOR FACULTY ONLY TO GO INTO EFFECT NOVEMBER 19

### IMPORTANT

### IMPORTANT

A new parking regulation will go into effect on Monday, November 19. Fifteen reserved spaces for faculty, staff, and visitors will be available in front of Bldg. #8 from the driveway to the guard house. This parking reservation has been granted in consideration for those instructors and personnel who arrive on campus within the day and who cannot find a space readily available. The other reserved space is in front of the library. However, on Monday, the single reserved library space is available to anyone.

Responses to the NOTICE TO DRIVER reminders was very encouraging, and nearly all cars now have stickers. Those who still do not, are asked to obtain one immediately! Those who have received a citation already must bring the fine payment to the Registrar's office in Bldg. #10. It IS possible to receive a second citation for the same offense.

If you know of a visitor on campus, let that person know that a visitor's parking permit may be obtained at the switchboard or in the library office. Students may park in any spaces other than the sixteen reserved spaces for faculty and staff, as well as in the parking lot behind buildings #7 and #11.

DOHENY'S EVENING AT THE MUSIC CENTER A SUCCESS

Among those applauding Richard Chamberlain's performance as Cyrano de Bergerac last Tuesday night were approximately forty members of the Doheny Campus community. This experience at the Los Angeles Music Center, a first for many of those attending, was made possible by the Program Budget Committee's approval to finance two-fifths of the cost of group tickets. If student and faculty interest continues on this cultural level, perhaps spring term will find Doheny again spending another evening at the Music Center.

WHO'S LIL (LIVING IS LEARNING) CONTEST

Congratulations to KAREN GALASSO, freshman, for correctly identifying our LIL for last week, ANNETTE BORROMEO.

Japanese and English seem to present no problem to Annette. She spoke Japanese in her home but attended Sacred Heart International School in Tokyo since nursery school, where she learned English. Art teacher or commercial illustrator are two goals that attract Annette. She finds the speed on our freeways appalling, the commercials for Kentucky Fried Chicken and MacDonald's amusing when she contrasts them with their Japanese revisions.

+++++

The only way to the United States for LIL was by way of Spain where she worked as a secretary for an American firm. The customs and beauty of the country charmed her, but family ties and the opportunity to continue her education brought her to Los Angeles. Her first love is Math, seconded by languages. She has read Cyrano in English and Spanish; currently, with the encouragement of her teacher, she is enjoying the original French.

Outreach in an elementary school office proved a rewarding experience for LIL. There she realized she could also tutor small children. She had never thought of this before.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

LIBRARY OFFERS STUDY ROOM FOR SMALL GROUPS

"The only restriction to its use is that there be no smoking."

This statement comes from Sister Rose Agnes, who is offering an unused back room on the first floor of the library to students who need a quiet place to study together.

Sister has noticed that Carondelet Center is too noisy and smoke-filled at times for clear thinking or concentrated group study, so this room which is reached by the rear door of the library, will be free for use from 9:00 a.m. to 4:00 p.m. any day of the week. Students may feel free to come and go, as the door will be left unlocked for their convenience. This room is not accessible to the library, however, so students should not consider it another library entrance.

OFFICE OF PRESS RELATIONS INTERESTED IN YOU

The Office of Press Relations at Chalon Campus is looking for your Name! They want to give you recognition for your college activities and scholastic achievements in YOUR LOCAL NEWSPAPERS. If they have a card on file in their office, your newspaper will be notified whenever you make the news.

Cards are available in Student Services or in the librarian's office. Just pick one up, fill it out, and return it either to Student Services or to the librarian, and the card will be filed in the Press Relations office. Some students already have cards on file; check with Student Services, if you are not sure whether your name is registered.

WHO'S LIL (LIVING IS LEARNING) CONTEST

Congratulations to Virginia Tauro, sophomore, who was the first of many to correctly guess last week's LIL, Clara Cid.

Clara speaks longingly of her home in Cuba which she was forced to leave. However, she is grateful for the advantages she enjoyed in Spain and the opportunities offered in the United States. Literature and music have always been her favorite classes. The principal at St. Vincent's School says this about Clara's Outreach contribution there: "Her pleasant personality, her eagerness and efficiency in helping staff, parents and children were just what we needed." Her many friends among the younger children hope she will continue to help them.

+++++

"One good thing leads to another," is LIL's evaluation of her Apostolic Involvement in high school. Each morning for a semester she tutored seven and eight year olds in reading at a mission school. This service qualified her for "a beautiful experience": that of camp counselor at Camp Maria Stella.

The brochure "Why a Liberal Arts Education When Getting a Job Is All That Counts?" intrigues LIL. Her ambition is to earn a degree in Liberal Arts.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

## FIVE DOHENY STUDENTS TO EXPAND MOUNT YEARBOOK STAFF

Debbie Nicholas started it at Open House on Sunday, and you will be seeing more of it as the year progresses. What's that? Camera clicking, that's what!

Responding to the need for Doheny representatives to take pictures for the 1974 yearbook, Debbie and four other students will make up the yearbook staff from this campus. Harriett Dennison, Annette Borromeo, Rita Woodbury and Maribeth Graves have accepted this important responsibility. So smile for that hidden camera -- anytime and any place!

## FACULTY, STAFF, GRADUATES TO HAVE FORMAL PICTURES TAKEN

Faculty and staff members were notified last week that Mr. O'Finnegan will take their pictures for the yearbook on Thursday, November 29, between 1:00 and 2:30.

93 CENTS OF YOUR DOLLAR DONATION TO UNITED CRUSADE USED DIRECTLY FOR SERVICES TO POOR

Love is great, love is powerful -- it makes the world go 'round, so the song writers and poets say. But in reality, it is no cure-all for human care needs. Of necessity, love must be coupled with money to answer these needs.

We are often irritated by the many requests for contributions to some cause or another ... the fact remains, money is what it takes to provide the vital human care services for people in need. Giving help through United Crusade dollars is bringing about a more meaningful life for many. It is giving a child who has known only concrete play areas a chance to go to summer camp in the country...introducing an elderly person surrounded by loneliness to community center activities... bringing a home to a neglected child. It is providing a speech teacher to teach a deaf child to "hear" with her eyes, mouth, and hands...a therapist to help a stroke patient walk...supporting a psychotherapist who can penetrate the nightmarish world of an emotionally disturbed youth.

Your contribution joins your dollars with those of others to provide the widest range of help and hope possible through one united effort. United Crusade dollars not only work to treat diseases, but also gnaw at social ills like juvenile delinquency, broken marriages, or problems of the aged.

The United Crusade is the most economical way of meeting diversified needs of thousands of men, women, and children. We know money is no substitute for love--but it helps concerned people express their love in a very real way. APPROXIMATELY 93¢ OF EVERY DOLLAR GOES DIRECTLY FOR SERVICES ...and you can be sure those dollars are spent wisely.

Please join in this community and college effort and give what you can. Sister Francis Clare, in Bldg. 10, will be available to accept your contribution anytime between 8:30 a.m. and 4:30 p.m.

WHO'S LIL (LIVING IS LEARNING) CONTEST

Congratulations to Janice Knoop, freshman, who was first to guess last week's LIL, Geralyn Patterson.

Doheny Campus is not new to Geralyn, for she attended its Preparatory School of Music for seven years. During her senior year at Our Lady of Peace Academy in San Diego, with the assistance of her vice-principal, Sister William, she made the decision that Doheny was the college best suited to offer the atmosphere of educational freedom and meaningful culture that she was seeking. She is happy to be home again and looks forward to the Modern Art Survey offered during Interterm.

////////////////////////////////////

This week's LIL enjoys dormitory living. "Here I have the best of both worlds; companionship and privacy when I want it. After nine years abroad and attending various schools, it is good to unpack my bags."

LIL's first introduction to Mount St. Mary's was through its catalogue found at her school in Taipei. Because of her volunteer work in the Child Care Center she was seeking a college that would provide professional training in this field. "Doheny was the one!"

WHO'S LIL (LIVING IS LEARNING) CONTEST

Congratulations to Cheryl Johnson who lost no time in correctly identifying last week's LIL, Camby Gatch.

Many subjects interest Camby; however, anthropology leads the list, followed closely by music and creative writing. She traveled and attended schools in Tanzania; in Ethiopia she was fascinated by the beautiful landscapes; in Europe, London offered the greatest attractions, but the naturalness and gentleness of the people in Taipei won her heart. Camby hopes to visit her parents in Turkey and eventually make it to other countries.

%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%

Time off from college and working with different groups of children, first the culturally deprived, then the handicapped and finally at La Casita de Nazarette Orphanage in Mexico confirmed LIL's decision that she could best serve young children if she were a trained nurse. "Why Doheny?" "A little card did it all!" Once her application was on its way, LIL began to realize how very much the support of family, friends and former teachers meant to her. She celebrated her acceptance by joining her bicycle touring groups in a ten day trip from Cave Junction, Oregon to Palo Alto.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself. If you know of anyone who deserves recognition, please notify Sister Francis Clare.

WHO'S LIL (LIVING IS LEARNING) CONTEST

No one guessed our LIL for last week, Marjorie Vavuris. Marjorie, the second oldest of nine, has always enjoyed working with younger children. However, she is grateful to have time to think in earnest. At Doheny she finds the balance of academic subjects, nursing skills, and the support of teachers a rewarding combination. Marjorie also enjoys baking bread, visiting at the Dorm, and attending stage plays.

This is the last LIL until after the Interterm.

OUTREACH

The following students have successfully completed their OUTREACH service at an agency of their choice during the Fall term. The students' goals were to give volunteer service to the community, grow in awareness of the needs of society, and to have a career-related experience.

CLARA CID -

worked in the office at St. Vincent School by doing secretarial work and record keeping. She paralleled this with teacher assistance in the First Grade in the subjects of reading, math, and ar.

HARRIETT DENNISON -

helped on a one-to-one basis with the deaf children at Marlton School. She assisted at the learning centers, developed materials for classes, and accompanied students. In order to communicate better with the children, she attended signing classes.

CHERYL JOHNSON -

assisted at the MSMC Child Development Center as a teacher aid. She helped by assisting with the activities of the pre-school children, playing with them, preparing snacks, and arranging instructional materials.

CATHLEEN KENNARD -

visited the adult patients at Orthopaedic Hospital and assisted them by doing errands. She also played with the children on the Pediatrics Floor and worked in the Medical Library.

BETH LOWRY -

OUTREACH (continued)

by reading stories to the children,
talking to patients both young and
old, and running errands to the lab,

AN
INVITATION
TO JOIN
SPRING SING

The Spring Sing Committee would like to invite the Doheny Campus students to help make this year's Spring Sing the best ever. How, you may ask? Well, we'll tell you how: by putting all your talents to work on formulating a group for Spring Sing. Not only will you be helping to make the show a good one, but you will also be on the billing with the celebrity, John Forsythe. Just think what the publicity will do for you!

Applications are due by February 14, along with an application fee of 50¢ per person or \$5 per group. Fees should be sent to Michelle Gergen, Chalon Mail Box 328. Tryouts are on February 20. A meeting with group chairmen is February 21. If you have any problems or questions, please contact Michelle Gergen or Anamaria Bustamante through the Student Body Office at the Chalon Campus (272-8791). Hope to see you there!

BULLETIN AND
CALENDAR
AVAILABLE

The Student Services Bulletin which you will receive through your classes today and tomorrow is an important one. We ask that you insert the calendar into your folders. If you do not receive a bulletin, extra copies will be available on the table outside Office 3, Bldg. 4.

AN EVENING
WITH
OUR FOREIGN
STUDENTS

There are so many students from so many foreign lands represented at Mount Saint Mary's College, Doheny Campus, that we are thinking of an International Evening so that the entire student body, faculty, staff and all friends may share in their dances, songs, food and other artistic presentations. The date and time might be April 20, 1974, from 5:00 - 10:00 p.m. If you are interested, please

sign a form and collect signatures of other students who would be interested in participating in such an evening so that the event may become a reality.

~~~~~

PARKING  
REGULATIONS  
WILL BE  
ENFORCED

All student and faculty/staff cars must have parking decals by the end of this week. If your decal died a natural death, please obtain a new one in the library on WEDNESDAY all day, or on THURSDAY between 8:00 and 11:00. Decals will not be available at the switchboard.

The parking regulations will be enforced strictly this term. We ask that students do not park in Faculty/Staff spaces in front of Building 8, and Faculty/Staff do not take up places other than those reserved for them. Let's have fair exchange!

#####

INTERESTED IN  
JOINING  
PROGRAM/BUDGET  
COMMITTEE?

During the Interterm some students already obtained forms for petitioning as candidates for the Program/Budget Committee membership for second term. However, many of you were not on this campus during Interterm, so you may pick up the forms once again on the stand in front of the 24-hour notice board anytime before Friday. On Friday, you must have the forms, the letter and your advisor's

approval by signature returned. Leave the completed materials either in the library, or slip it all under the door of Office 3, Bldg. 4, if it is not open when you come by. Elections for new Committee members, or the re-election of the former members who may want to run again, will be held on February 19.

CAN YOU HELP  
THE ELDERLY?

Doheny students are still needed to volunteer to help the elderly at Stella Maris Residence on Wednesday, February 13. Please sign up with Lucille in Bldg. 7 for any time you can spare between 12:00 and 2:00 to help with the luncheon.

PROS AND CONS  
OF INTERTERM

...a good break from regular semesters...interesting not meeting at school but in different places...the timing was good...an intellectual and social enrichment and provided an excellent opportunity to develop more understanding relationships with the faculty...like a vacation...it's hard to get back into studying... interterm gave plenty of time to concentrate on one subject so more was learned...a time to discover who you are and what you want to do in life... there was relaxing with the studying...good to have the chance to take any class just to enjoy it...more should be held at Doheny

WHO'S LIL?

The first LIL for Spring Semester believes that her year away from school is partly responsible for the greater appreciation she now has for further study. However, she values the time spent with a business firm where she continues to be employed on a part-time basis. Typing skills perfected during the Fall Term at Doheny made it possible for LIL to receive a promotion. An active and faithful member of the Admissions Council, she encourages classmates to become interested in the possibilities it offers. She also believes that many more would find it a rewarding experience to serve as a volunteer at the luncheons for the elderly at Stella Maris. "It takes so little time, and the guests are so interesting and grateful!"

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

This column is for the purpose of providing recognition for the achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself. If you know of anyone who deserves recognition, please notify Sister Francis Clare.

## INTERTERM COMMITTEE NEEDS STUDENT

Now that a new semester has begun and schedules are settled, is there a student who would like to represent the Doheny Campus on the Interterm Committee? This is a combined committee of students and faculty who evaluate, organize, and plan the Interterms at the College.

Frequent meetings are held at the Chalon Campus, usually on Mondays from 1:00 to 2:00 p.m. If you are interested and can attend the meetings, please let Sister Dorothea Marie know this week in Building 7, Office #15.

WHO'S LIL?

Congratulations to Harriett Dennison who identified last week's LIL, Irene Fields. Although she doesn't take an active part in sports, Irene is an enthusiastic and loyal admirer of the Oakland Raiders. She can tell you all the scores!

Individual attention shown by teachers, the cultural events available to students, the opportunity to study with friends add up to make Doheny a happy campus for Irene. Interterm meant lots of reading rewarded by a better understanding of minority roles in United States history. LIL enjoyed it!

aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

"Respect for Values" could well be the title for LIL's search at various educational institutions, volunteer projects and employment. While planning and administering a C.C.D. program with a former Doheny graduate, she was convinced that Mt. St. Mary's offered the answer. LIL, a commissioned officer in the Air Force, proud of her title, Captain, is eager to add a B.S. to her qualifications. The background at Doheny has encouraged her to forge ahead.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

This column is for the purpose of providing recognition for the achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. EXCITING BUSINESS PROGRAM LAUNCHED

Do you know anyone who is looking for an exciting career and doesn't know how to go about preparing for one? Have you met anyone who would be interested in a challenging, rewarding job? Do you have any friends who are working now but have decided to go back to school to get a degree that would prepare them for more responsible positions?

If your answer is "yes" or even "maybe" to any of these questions, be sure to look into the new specialization--an Associate in Arts Degree in Business--that will be launched on the Doheny Campus in the Fall semester.

Watch this publication for more details, or see Sister Marie Loyola in Bldg. 7 (Office 6) for further information.

LAST WEEK'S
LIL

Harriett Dennison, once again, was the first to guess last week's LIL, SADIE RAMIREZ, whose interests and experiences are far-flung. The Confraternity of Christian Doctrine Convention in Anaheim and the American Operating Room Nurses' Convention in New Orleans during February have made LIL very reflective about her continued dedication and preparation in order to give her best to others. At present, she is involved in C.C.D. teaching at Sacred Heart Parish, Pomona, with Jessie Zuniga, but she also finds moments for relaxation in her music and gardening.

WHO'S LIL
FOR NEXT WEEK

Why did Doheny attract LIL, who comes equipped with a teaching credential, a Bachelor of Science degree in Health Education, working experience in a Convalescent Hospital at Sawtelle, and direct participation in setting up an office for a cardiologist whom she served as receptionist, secretary and assistant for many procedures? All because she is convinced that the program here will make her dream of becoming a registered nurse a reality.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. 10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize. This column is for the purpose of providing recognition for the achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. Congratulations to Miss Judy Buntten, nursing instructor at Doheny, whose chapter exploring the philosophy of labor and delivery room nursing has been recently published. The chapter, which appears in the 1973 Current Concepts of Clinical Nursing, stresses the philosophy of "caring" and provides future thrust for more meaningful maternity nursing.

LAST WEEK'S  
LIL

Last week's LIL was JUDY BERNATH, correctly identified by La Vonne Brauer. While studying at U.C.L.A. Medical Center, Judy participated in a project designed to research signs and symptoms of hypertension. She is a firm believer in preventative education in the health field. Believe it or not, Judy boasts of her title, Marshal in the Art of Kung Fu!

#####

CAN YOU IDENTIFY  
THIS LIL?

The summer following high school graduation, LIL and three friends toured Europe in a Volkswagen bus. It was during this time that she gave serious consideration to her future. Whenever she met young people in Germany, she realized their disbelief that anyone of her age and education had not definite goals for a profession.

"It made me think!" She lost no time in enrolling in college but had to wait a year before she could enter the nursing program. LIL appreciates the balance she finds at Doheny; she is a firm believer in involvement in school activities, which she recommends to all students for their happiness.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

## A CALL TO ACTION

A vital issue in society today is the right to human life. One means to offset the thrust toward abortions in California is through education and pro-life service. These are the aims of the Right to Life League. A new Chapter of the League is now forming in the Central Los Angeles Area and your hlep is needed in this formation. Would you come to an organizational meeting on WEDNESDAY, MARCH 27, at 7:30 p.m.? This meeting will be held in Room 103 at the Doheny Campus. It deserves your "YES" response.

## QUESTION OF THE WEEK

QUESTION  
OF THE WEEK

What is an ADMINISTRATIVE ASSISTANT? According to the Wall Street Journal, she is a young woman who may type, take dictation, answer the phone, and do other chores familiar to the girls in the secretarial pool. BUT along with that, she may give direction to the vice presidents, more or less run the organization when the chief is absent, function as a go-between with the boss and his high-priced managers, and learn the trick of disposing of all possible minor details, acting in the boss's name without ever seeming to wield his authority.

Doesn't that sound challenging? The new Associate in Arts degree in BUSINESS is designed to prepare young women for the interesting job of ADMINISTRATIVE ASSISTANT.

LISA COWAN IS  
LAST WEEK'S LIL

Belinda Trevino merits congratulations for being the first student to guess last week's LIL, LISA COWAN. Last summer, Lisa, who likes to be occupied always, worked as a nurse aid at Daniel Freeman Hospital. This practical experience confirmed her wish to go as far as possible in the health field. A career in Public Health, perhaps in a foreign country, is her goal.

Lisa enjoys many sports, but sailing is her favorite; she finds sewing, knitting and crocheting relaxing. The most profitable feature at Doheny, according to Lisa, who is a Resident Assistant, is the opportunity to work closely with faculty and classmates.

@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@

WHO IS  
THIS WEEK'S LIL?

This week's LIL satisfies her great need to do for others by being a blood donor as often as possible. She believes that at present for her, school is living, and that no where else could she find more beauty and serenity helpful to learning and living than at Doheny. She encourages others to share the same advantages. She hopes to practice and master nursing skills for a few years and then will consider the opportunity of working with the Lay Missioners in Africa.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

CATHY FRATELLO  
LAST WEEK'S  
TALENTED LIL

Colleen Fosberg said the key word that helped her to name last week's LIL, CATHY FRATELLO, was "Africa." Both Cathy and her sister would like to combine travel and service to the needy of that land for a few years. Employed as a nurse aid last summer, LIL learned many lessons in public relations. Cathy appreciates poetry, enjoys creative writing, and delights the nursing department with her artistic bulletin boards.

#####

WHO IS  
NEXT WEEK'S LIL?

OUTREACH has provided two rewarding experiences for LIL. First, at Orthopaedic Hospital her contact with very young children was a great challenge that confirmed her desire to be a nurse. As a volunteer at Exceptional Children's Foundation, she worked under the assistant program director from whom she learned the diversity of competence expected in this field of training. There was never time to become bored; each day's work brought an added viewpoint and appreciation of this specialization.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

## HAVE YOU VOTED FOR LAUREL DAY RECIPIENTS????

Doheny faculty and staff have submitted the names of students whom they wish to endorse for the honor of receiving the ESTELLE DOHENY AWARD at Laurel Day ceremonies on May 18 at 7:00 p.m. on campus. From this list of endorsements, faculty and staff will vote for the student who will receive this award.

LAUREL DAY  
(continued)

Last Wednesday, students received a preliminary letter soliciting endorsements needed from among the student body. Today, endorsement forms are available on the table by the Student Services Office and by the glass-enclosed bulletin board featuring a Laurel Day display in Building 4. You are asked to endorse two students for the honor of LAUREL GIRL 1974, or as a member of the LAUREL CIRCLE or LAUREL WREATH. Balloting will take place on April 16, 17, 18, 19; the vote of the student body on the names submitted will determine the distribution of these honors. Details of this procedure are on p. 4 of your Student Handbook.

In addition, students are endorsing two faculty and/or staff members to receive the FACULTY AWARD for outstanding commitment to the Doheny program. Voting for this nomination will also take place April 16-19.

DOHENY GRADUATE  
WILL APPLY

Doheny Pre-school graduate, ELEANOR VARGAS (Class of '69), has earned her B.A. in Child Development, an Early Childhood Credential, is completing requirements for the Elementary Standard Teaching Credential, and is applying to further her studies for a Master of Arts degree in Special Education.

"Doheny provided the foundation and the encouragement I needed to forge ahead," Eleanor commented on a recent visit to our campus.

HEALTH SERVICES  
ALWAYS AVAILABLE  
AT USC CAMPUS

A reminder to each Doheny A.A. student: excellent health care is available to you at the U.S.C. Student Health Service, if you file your health information sheet and present your Doheny ID card. The many services are for you; be sure to use them, if you need them. Questions about location, kinds of services, etc. can be directed to Lucille in Bldg. 7 or to the Student Health Service (telephone: 746-5334).

#####

MID-TERM BRINGS  
WORK REPORTS  
IF NECESSARY

For students who are concerned about receiving passing grades in their course work, Doheny has an advance notice system which communicates the need for extra attention to a particular course. Instructors who know that a student will be earning a grade of D or F in a course will be giving a copy of the "Unsatisfactory Work Report" to the student, to her advisor, and to the Dean. If someone receives more than one notice, Sister Margaret Anne will also contact the student, in order to give as much positive assistance as possible to avert failure or probationary status for the student at the end of the semester.

#####

BUSINESS  
NEWS FLASH

The need for competent administrative assistants far exceeds the supply....the demand is expected to increase more than 60 per cent in the next 15 years....get into this challenging field with an A.A. degree in BUSINESS....see Sister Marie Loyola for details.

MUSIC, TENNIS  
LIL'S INTERESTS

Carrie Marraro gave two reasons for guessing that last week's LIL was KAREN GALASSO; first, the enthusiastic reports about her Outreach assignment; and second, the amusing anecdotes Karen recalled about helping with younger nieces and nephews. Karen's friends call her "the singing nurse." In her senior year, she had the lead in a musical drama presented by her high school. Music and tennis offer Karen relaxation after a busy day with studies.

NEXT WEEK'S LIL
DISCOVERED DOHENY
FROM FREEWAY SIGN

A Sunday afternoon drive (before the energy crisis) and a freeway sign led this week's LIL to Mount St. Mary's. A short experience on a very large campus was frustrating, and she was searching for a small college. The vital relationship with teachers at Doheny has built her confidence; tutoring little tots in math at St. Vincent's School encouraged her to continue her studies in education. Her first goal, to work with American Indians, has now expanded to include all minority groups. Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

CAN YOU HELP
WITH ORIENTATION
FOR FALL TERM?

Members for an Orientation Committee in the Fall are urgently needed in order to make those first days of school run smoothly for all. I could not have operated without last year's team: LISA COWAN, PHYLLIS SMITH, NANCY MALLET, MARY GREEN, CAROLYN RAMIREZ, and

LUCIANNE MAGNER. The time involved would consist of an initial meeting for all those interested in the first week in May, two subsequent meetings to plan for the student orientation procedure, and then actual participation and fulfillment of duties assigned on the orientation days in September.

What's to do? Well, there's taking I.D. pictures, distributing lockers and parking decals, stuffing mailings and student packets, and being there to distribute food and cold drinks on the first day. Drop by the office, if you can help. Thank you.

A VOLUNTEER
AT LOCAL HOSPITAL

Volunteer work in business and nursing influenced LIL to enroll at Doheny. She does secretarial work in an organization in her community and also volunteers in a local hospital. She realizes that further education is a "must" to succeed in either of these careers; therefore, she is grateful for an opportunity to use this semester to explore the requirements and her abilities before she makes a final decision. In high school, LIL was a cheerleader and delighted in playing in the band, where she made many friends.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

This column is for the purpose of providing recognition for the achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself. If you know of anyone who deserves recognition, please notify Sister Francis Clare.

LAST LIL GLENDa SPRATT LURED BY TRAVEL

Irene Fields correctly identified GLENDa SPRATT as LIL for April 8. While performing a good deed for a neighbor, LIL broke her ankle; consequently, her plans to attend Interterm were interrupted.

When she listens to the variety of programs her companions discuss, she admits that it will be difficult to choose the most satisfying Interterm class for next year. Glenda is fascinated by travel books and magazines. She hopes that in the future she will actually tour Australia, Africa and especially Japan.

### NEXT WEEK'S LIL A VOLUNTEER IN HOSPITAL

The encouragement of her high school counselor and four years as a volunteer in a neighborhood hospital convinced LIL that nursing would equip her to satisfy her longing to help others. The warm atmosphere at Doheny, plus the concern of each individual in-

structor, has made a concentrated program well worth every effort. She finds the training in the medical-surgical unit at the hospital most rewarding; she favors horseback riding and camping among the Joshua trees.

PHYLLIS SMITH Rita Woodbury guessed last week's LIL, PHYLLIS SMITH, who from an  
LAST WEEK'S LIL early age spent many hours observing her father, a veterinary surgeon. She attributes her love and concern for animals to those frequent visits. Refinishing furniture occupies some of Phyllis' spare moments, but her artistic inclination is best satisfied by sketching hands. She is grateful for the R.N. course at Doheny and hopes to offer encouragement to beginners in the program.

C.C.D. WORK In retrospect, LIL values above all other experiences, her involvement  
VALUED BY in a C.C.D. program where she was privileged to prepare small tots for  
NEXT WEEK'S LIL their first Holy Communion.

"It was exciting and deeply meaningful. I shall always remember the beautiful expressions on the faces of those little ones," she said.

Interterm and active participation in preparing the Spanish puppet show was a pleasant introduction to the Doheny Campus for LIL, who was also among the colorful Shakespeare troupe that provided festivities on the Bard's anniversary.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize.

LAST WEEK'S LIL  
POPULAR ENTRY

Ten students submitted names for last week's LIL, but Virginia Tauro was the first to guess correctly that CONNIE VILLAMARIN was the one. Connie, who came from Holy Family High School, Glendale, thought a small college would offer a better opportunity to make friends and has not been disappointed. Her plans for the future are diversified: first, to do a lot of traveling by working for her favorite airline, T.W.A.; then, to live on a ranch and ride her very own horses.

~~~~~

FINAL LIL
FOR THIS TERM
IS OUTREACH
ENTHUSIAST

This week's LIL has successfully identified the LILs of past issues, both this year and last. She said, "This weekly contest has intrigued me and helped me to observe and listen to classmates very carefully." LIL is also a great booster for the OUTREACH program, which brought before her the satisfaction that comes from being involved in helping others, in addition to the understanding derived from working with different personalities. "Appreciation" well sums up LIL's evaluation of fellow students and teachers.

NOTE: THIS IS THE LAST WHO'S LIL FOR THIS TERM.

DOHENY TRADITION

Honors and awards will be presented on Laurel Day for academic achievements and for service rendered in the co-curricular programs. All students, faculty, staff, parents, relatives and friends are invited to attend at 7:00 p.m. in the Lecture Hall on campus.

Two "firsts" will highlight this year's program: graduating nursing students will receive their pins and stripes, and students will participate in an interlude of song during the ceremonies.

The highest honor which can be conferred on an Associate in Arts graduate, the ESTELLE DOHENY AWARD trophy, will be presented to that student who personifies the characteristics of Christian graciousness and concern, and who shows great potential for significant contribution to her time. Sister Cecilia Louise Moore, president of Mount St. Mary's College, will make this presentation.

Membership into the LAUREL WREATH and the LAUREL CIRCLE will also be awarded to those students selected by Student Body vote. The LAUREL GIRL for 1974 will, in addition, receive a trophy for her outstanding contribution to the on-Campus programs during her two years at Doheny.

Faculty and staff members will also receive recognition, and the OUTSTANDING FACULTY MEMBER AWARD will be presented to that faculty member designated by student vote to be the most deserving of this honor.

The program will conclude with the welcome of the graduates into the Alumnae Association by the Alumnae President, Mrs. Edward Susank. Refreshments will be served in the Pompeian Room following the program. The Deltas will hostess this reception to which all are invited.

YOUR HELP NEEDED
FOR ORIENTATION

If you remember how many things were done for you during your first days on campus, you will also realize that students were there giving time and effort toward making those days easy for you: the I.D.

pictures, parking decals, student packets, etc.

Now, you will be the second-year students, and we need your help. We appealed earlier in the year for assistance, even with one thing that has to be done. One girl responded (and we thank her!). But more are needed. Just give us a hand for the days of Orientation by offering to help out in any of the following ways:

assign locker numbers	prepare I.D. pictures
hand out parking decals	assist with testing
register students for College Directory	serve refreshments
help prepare Lecture Hall program	plan the Mass

Give your name and what you could do to Denise Aquilante or to me before the end of the year, please! Your share will help!

-Sister Rose Agnes

VIRGINIA TAURO
FINAL LIL
OF SPRING TERM

Mary Barron correctly identified VIRGINIA TAURO, the final LIL for this year. In retrospect, Virginia believes that the effort each teacher brought to her class stimulated involvement and appreciation which resulted in student participation and enjoyment; dorm living offered fascinating insights into different personalities. She takes this opportunity to express her gratitude. LIL's plans for the immediate future include a visit to her former home in Boston, and a year or so in the business field before she continues further education.

THANKS TO
SR. FRANCIS CLARE
FOR LIL FEATURE

A special note of appreciation is due to Sister Francis Clare for the weekly LIL feature in the DOHENY HAPPENINGS. Highlighting the activities and varied interests of the students she interviewed, Sister captured with insight and style the spirit which we hope will always characterize the Doheny Campus: that of recognition and support of the individual person whose dignity before God is a priceless gift we are privileged to share. Thank you, Sister Francis Clare.

DELTAS HONORED AT BUFFET DINNER

Members of Delta Theta Chi, the honorary service organization on campus, will be hosted at a buffet dinner in their honor this evening at the Doheny Mansion.

The Deltas have served as official campus hostesses during the past year in various capacities: they aided with registration, refreshments and tours of the Mansion during the Fall and Spring Open Houses; Deltas were tea hostesses for guests of the Nursing Department in April; they acted as campus tour guides for visiting high school students who were guests of the Business and Admissions Departments; and Deltas were present to greet guests and to serve refreshments at a recital held in the Mansion last month.

These charming hostesses will end the year by serving refreshments after Laurel Day ceremonies next Saturday and after the Masters Hooding Ceremony on Thursday, May 23. Congratulations to members of the Macrame class for the beautiful display of their work in the Art Building last week. It is heartening to see this development of student artistic ability under the skilled direction of Sister Jeanne Marie.

Sister Francis Clare requests that the May, 1974 graduates complete the alumnae questionnaire and return it to her in Bldg. #10 as soon as possible.

ANNETTE BORROMEO - was involved with the Art Department at the Doheny Campus. She set up the student shows, prepared the weekly bulletin boards, and with various activities which were helpful toward an art career.

ANDREA CARTER - volunteered at Martin Luther King Hospital. She conversed with the orthopaedic patients, ran errands for them, and assisted them at mealtime.

MATILDE PENA - used her Spanish at Orthopaedic Hospital to make the children and other patients happy. Her friendliness brightened the days of many people as she carried out her assigned duties.

HARRIETT DENNISON - worked in the classroom as a teacher assistant at Marlton School for the Deaf. She prepared math and art materials for class, accompanied the children on a field trip, and also learned some new signs for communicating with the children.

BETH MOMBURG - volunteered at St. Vincent's School. By tutoring children in the third grade individually, she was able to give them the special help they needed in reading and in strengthening their self-confidence.

CHRISTINE RODRIQUEZ - visited with the aged who were shut-ins or in convalescent hospitals and private homes near the Doheny Campus. Through her conversations each week, she provided needed companionship and happiness.

GLEND A SPRATT - served as a volunteer in the Women's Auxiliary at Centinela Valley Hospital. She ran errands for the Nurse's Station and delivered mail, menus, and flowers to the patients.

HAE KYUNG LEE - assisted foreign students from Mexico, South America, and Korea in learning English. She taught vocabulary, explained the new meanings, and corrected their assignments at Berendo Junior High School.

Disraeli once remarked, "I have a great confidence in the
revelations which holidays bring forth."
May this summer be a time of revelation for you, when what
you have learned during the year will, like a flowering tree,
blossom and bloom and finally bear fruit.
May your holiday, be it short or long in the summer ahead,
hold for some sun times and many fun times. We look forward
to seeing you back on campus in September.
